PRESIDENT'S CORNER By Leon "Sandy" Teague, PhD

Hello Fellow Members of the best retirement association in the State of California, the Retired Employees of Merced County Association, Incorporated (REMCOAI)

Being a member of such an association gives you automatic membership in the state-wide association called California Retired County Employees Association (CRCEA).

This CRCEA membership give you access to host of benefits including:
Providing a forum for educating members and promoting retiree benefits and issues
Volunteer Officers and Directors oversee opportunities to:

Exchange information through communications and this website
Meet in semi-annual conferences to provide retirement information and related subjects to members
Initiate legislation to develop and maintain retirement benefits
Train and encourage Associations to actively represent retirees to their respective Board of Supervisors and Retirement Boards

Currently CRCEA represents about 180,000 retirees from twenty counties under the Title 37 Retirement Act.

CRCEA came into being through the efforts of a few dedicated people and it has grown steadily over the years through the efforts of other dedicated people. Without their unpaid efforts, the organization would have withered and died. They also comprise of a number of affiliates who have dedicated their services at a significant discount to the benefit of all retirees. CRCEA Affiliates are companies who assist us not only with their annual dues, but with help at our conferences. We encourage you to support them by using their services whenever possible.

These affiliates are: EFI Actuaries, Guided Choice, Liberty Mutual, Member Extra, My Senior Health Plan, Pacific Group Agencies, Segal Group, Road Scholar, Southland Credit Union, and Western Group Agencies, Inc.

These agencies provide a variety of services and are eager and willing to assist your needs. For further information about what they provide go www.crcea.org and click on Affiliates.

The CRCEA Conference held in Ventura on April 24-26, 2017 included a variety of topics, among them a legislative report of issues in Sacramento affecting your pension. Foremost is the issue regarding pension reform. To list a few:

AB 283 (Cooper) would require that any member of a 1937 Act system who is classified as a peace officer be retired for service-connected disability due to a job-related injury upon meeting the criteria for disability in the Act, regardless of the member's rank, position, or duty at the time of injury or at the time of application for permanent incapacity.

AB 1309 (Cooley). Existing law allow an employer to hire a retired member without reinstatement under certain conditions

AB 1310 (Allen) would require the retirement board of a public retirement system to disclose the unfunded and healthcare debt on each member statement provided to its members

SB 32 (Moorlach) is entitled the California Pension Reform Act of 2018. It makes many changes to existing law. This bill would prohibit a public retirement board from deeming certain forms of pay to be pensionable compensation. In addition, the bill would prohibit a public retirement system from making a cost of living adjustment to any allowance payable to, or on behalf of, a person retired under the system, or to any survivor or beneficiary of a member or person retired under the system, for any year beginning on or after January 1, 2018

SB 571 (Pan) would authorize a state or local public employer participating in an employee supplemental retirement savings plan, such as deferred compensation plans and payroll deduction individual retirement account plans, to make a deduction from the compensation of an employee for contributions attributable to automatic enrollment and automatic escalation in the supplemental retirement plan.

SB 671 (Moorlach) Under current law, a county and only districts in San Bernardino County may make an advance payment of or all or part annual contributions to the retirement fund. This bill would extend that authority to all counties and districts. The bill would also authorize advance payment of all or part of a future year's contributions.

SCA 10 (Moorlach) is a proposed constitutional amendment that would prohibit a government employer from providing public employees any retirement benefit increase until that increase is approved by a 2/3 vote of the electorate of the applicable jurisdiction and that vote is certified

Enjoy the summer and remember September is the installation of executive officers including the President, Vice-President, Secretary and Treasurer, so if you would like to serve or want to nominate someone please do so at the June Luncheon. Deadline to submit a nominee is July 3rd.

ELECTION OF REMCO OFFICERS

As noted in the March Newsletter, the REMCO Officers: President, Vice President, Secretary and Treasurer are up for election in September 2017. Nominations have been open since March and, to date, there have been no nominations. Any nominations must be received in writing, by the Nomination Committee: mike Sopfrank, Kaye Greeley or Harold Goldman. Nominations can be mailed to the REMCO PO Box noted on the front of this newsletter. If no nominations are received by the July 3rd deadline, the current officers will continue for another term and it will not be necessary for a mail-in ballot to be sent to the membership for a vote. Officers have indicated a willingness to continue in their positions, if that is the memberships wish.

2017 SCHOLARSHIP WINNERS

There were more applications than usual this year and many very deserving candidates. For the first time, there was a tie and the Board of Directors voted to add one additional scholarship this year *only*, because of the tie. All Scholarships are \$1,000.
