PRESIDENT'S MESSAGE – by Bill Mitchell

It is during this time, as the holiday season approaches, when I reflect upon this past year and look toward the next. It has been one of transitions for RPESJC, as will be 2024. Carol Carson, Jerry Herrmann, and Mike Miller stepped down from the Board over the past several months, and we thank them for their dedicated service to our organization. Chris Rose has replaced Jerry as Vice President. Trish Huarte-Pechan, Lisa Knight, and John Solis were brought on, and are doing fantastically in their new roles. Members now have the opportunity to receive Cattails electronically, and several dozen individuals have already requested to do so. Monthly luncheons moved to its current location at the Church of Jesus Christ of Latter-day Saints at 8806 Don Avenue in Stockton, and a steady crowd has continued to enjoy good food, interesting speakers, and—most importantly—camaraderie of friends and former colleagues. There will be some important changes in 2024. SJCERA will be moving in the Spring, and it is necessary that RPESJC seek new office space. This will be seamless for our members, as we will do our best to maintain the current telephone and PO Box numbers and our email address. A few Board members performing high-profile functions are planning to step down at the end of their terms next summer. It will be necessary for those remaining to pick up the workload, and for some willing general RPESJC members to join the Board.

THE FORMAT FOR MONTHLY LUNCHEONS WILL CHANGE IMMEDIATELY FOLLOWING THE HOLIDAY LUNCHEON THIS DECEMBER.

Luncheons will be held in February and April; the Annual Picnic will take place in June; luncheons again in August and October, and the year will conclude with the Holiday Luncheon. You see the pattern - every other month. The location will be the Julia Harrison Memorial Building

at Micke Grove Park. Payment to enter the park will not be necessary. Luncheon reservations will be made in the same manner as other RPESJC events. A flyer will be included in each newsletter, which will have information about the menu and speakers. **A form is to be mailed with advanced payment at a cost of \$20 per person for each of the 4 luncheons.** Reservation deadlines will be within a few days of the events, so that the decision to attend can be made much later than with other activities. **A flyer for the first luncheon of the year is included with this newsletter.** PLEASE GIVE IT A TRY! Until then, I wish you and your families a joyous season and a healthy 2024. ❖

BOARD OF RETIREMENT REPORT

— By Steve Moore

Fellow SJCERA members, there are two important points you should be aware of. First, I am happy to report that as of June 30, 2023, the SJCERA total portfolio had a total value of \$4.02 billion. The overall portfolio further increased in value by \$85.3 million. As you may recall, during the previous year, our total portfolio fell below the \$4 billion mark due to investment losses driven by concerns over inflation and the downturn in equities. However, your SJCERA Board and Staff have continued to stay the course following established investment strategies, with constant vigilant attention to performance resulting in a \$256.6 million increase over a one-year period.

The second point is that Staff has successfully executed two property negotiations:

- A lease amendment for SJCERA's current office space:

Staff has completed negotiations on an amended lease for the current 6 S. El Dorado Street location. Discussions with the Facilities Ad Hoc Committee, created a lease amendment accommodating the County's request for SJCERA to vacate its current office space prior to its current lease expiration. This amended lease is not anticipated to increase costs to SJCERA. The lease amendment was approved by the Board of Supervisors at its June 6, 2023 meeting, and fully executed on June 13, 2023. The amended lease calls for the County to pay SJCERA \$2 million, if we vacate the premises by February 29, 2024. SJCERA may remain in the office beyond that date, subject to an increasing reduction in compensation for each month's delay through June 30, 2024.

- Secure an initial lease on a future location:

Staff also negotiated and entered into a lease on a new office location. On August 15, 2023, staff executed a 10-year lease (with two five-year extensions at SJCERA's option) for 220 E. Channel Street (the old

Pacific Gas and Electric customer service location next to the Post Office). This location maintains our presence in downtown Stockton, close to the County Administration building, with a first-floor entrance, and is in walking distance to numerous services. Additionally, the lease includes 25 parking spaces reserved for SJCERA's exclusive use in the adjacent parking structure.

Our new landlord estimates tenant improvements will be completed within six months (approximately mid-February), keeping with the timeline for vacating our current offices as listed above. Every effort will be made to complete our move on or before February 29, 2024. However, in the event there are delays, staff has also begun contingency planning to ensure a timely and organized transition to the new location while maintaining all necessary services to our membership.

Looking forward to our continued success and seeing many of you at a future office warming event to showcase our new office location ❖

MONTHLY LUNCHEONS

Guest speakers Jane and David Goad made a presentation about the Shepherd and Veteran Enablement (SAVE) Program at the July 13th luncheon. The mission is to match military veterans with rescued dogs and make it easy for them to adopt. They are enhancing the lives of military veterans and their families while saving more shelter dogs in search of homes. Ms. Goad even won the gift basket donated by Tamara Langenfeld with Valley Strong Credit Union! Ginger Reese scored the ultimate \$100 pot in the marble game.

Several retirees attended a luncheon for the first time on August 10: Carolyn Boesch (Sheriff), Rachael Carbajal (EEDD), Harry Gong (Public Health), Dinah Hamlow (SJ General Hospital), and Peggy LaRossa (E2D2). For the second consecutive month, the black marble was drawn, this time by Lois Sahyoun who collected \$20. Paul Bishop took home the Valley Strong gift basket. Board of Supervisors member Steve Ding spoke to the attendees about the most pressing issues currently facing the County and some key Board initiatives, and expressed his appreciation for the service provided by County retirees and active employees.

Agricultural Commissioner Kamaljit Bagri was the guest speaker on September 14. She talked about both State and San Joaquin County agriculture, and reviewed how her office addresses its mission "to protect public's health, safety and welfare and to promote and protect the agricultural industry by enforcing the provisions of the California Food and Agricultural Code." Doris Cody (Behavioral Health) and Kathleen and Rex Yturri (both retired from the Sheriff's Office) were first-time attendees. Lois Sahyoun got lucky again, this time taking home the gift basket brought by Tamara Langenfeld, while Diane Schultz collected \$40 for pulling the black marble. The final luncheon of the year before the Holiday Luncheon in December will be on November 9th. Hope to see you there! ❖

LONG-TERM CARE INSURANCE

Have you thought about Long-Term Care?

Long-Term Care isn't just for the elderly. Accidents, injuries, and illnesses can happen to anyone, at any age, so it is very important to be prepared. Many people believe, incorrectly, that Medicare or their Health Insurance will cover most or all of the costs of long-term care services. However, standard healthcare insurance plans for those under 65 are simply not designed to provide long-term services on an extended basis. Without a Long-Term Care Insurance plan in place, you could be stuck paying out-of-pocket for expenses that can exceed \$75,000 per year or more depending on the area in which you live.

The good news is that you can protect yourself with a Long-Term Care Insurance plan now available to the **Retired Public Employees of San Joaquin County (RPESJC) members through Specialists In Long Term Care Insurance Services, Inc, (an AMBA company.)**

In addition to choosing how you receive care, you can also customize the amounts of your coverage, creating a plan that perfectly suits you and your budget, giving you peace of mind. Furthermore, RPESJC members are eligible for a group discount on the policy of their choice.

If you are interested in learning more about the plans available to RPESJC members, please call **TOLL FREE 1-800-764-6585**, or send an email inquiry to info@siltc.com containing your name, association, and telephone number. **Please note that a telephone call is necessary to ask several qualifying questions before a customized quote can be mailed to you.** ❖

Delaney's academic interest is to follow her mother's footsteps in nursing.

SJCERA CEO'S CORNER – By Johanna Shick

GREETINGS FROM SJCERA!

The changing of seasons is a reminder of the beauty all around us: the colors of the leaves, the crisp air, and the approaching holidays. It's also a time when it's important to take care of yourselves to avoid getting a cold, the flu or the new COVID variant, which is circulating.

You are important – to your family and friends, to your community, and to SJCERA. Please take the precautions, so you can stay healthy and truly enjoy the season.

The change in seasons also reminds us it is time to start preparing for the upcoming year.

MEDICARE PART B REIMBURSEMENT DOCUMENTATION DUE JANUARY 2

The Medicare Part B Reimbursement program reimburses the full Medicare Part B premium, up to the amount remaining in an eligible member's sick leave bank. As a retired SJCERA member, you may be eligible for the Medicare Part B Reimbursement program if you:

- Are a retired County employee or eligible beneficiary*
- Were hired before August 2001
- Have a Sick Leave Bank Balance (see your SJCERA monthly earnings statement), and

- Are enrolled in Medicare Part B

**If you are retired from another SJCERA participating employer, contact your employer for availability and eligibility of the sick leave bank.*

If you are eligible and wish to participate, by the first business day of January each year, you must submit a completed Medicare Part B Reimbursement form and a proof-of- premium document issued by Social Security or Medicare. SJCERA will mail forms and instructions to eligible retirees by early December. It's a busy time of year: please keep an eye out for the mailing so you can meet the deadline. Visit the Retired Members Forms and Publications page on www.sjcera.org for more information, including the form and Medicare Part B Reimbursement fact sheet.

PREPARING FOR TAX SEASON

Did you withhold enough (or too much) in taxes from your benefit payment this year? You can adjust your future federal and/or state tax withholding by submitting a new tax withholding form, available on the Retired Members Forms and Publications page on www.sjcera.org. Newly submitted withholding forms received by the 15th of the month will take effect on the next month's payment.

SJCERA IS MOVING

I am excited to announce SJCERA will be moving to 220 E. Channel Street (corner of Hunter) in early 2024. The ground level office space provides easy access to all members with street parking as well as access to the Coy Parking Garage. Office renovations will begin shortly. We will share more information as it becomes available. ❖

MEMBERS FINANCIAL SERVICES — By Frank Feng

Frank Feng, CFP®, ChFC®, CRPC®
Financial Advisor,

Wealth Management Group
Tel: 209-518-2801
Insurance License: CA 0B68988

Question: Hi Frank, sometimes I have trouble making decisions, especially when it comes to finances and investments. It is just too complex and I am just afraid of making mistakes. Is it ok for me to leave things alone and not deal with them? Thanks!

Answer: You are not alone. I have seen a lot of people not wanting to make financial decisions because they are afraid of making the wrong decisions. However, not making a decision is still a decision. Sometimes avoiding a decision could be a bad decision itself.

This investment inaction is played out in many ways, often silently, invisibly, and with potential consequences to an individual's future financial security. Here are some examples.

1. One of the worst inactions may be the failure to enroll in your 457 or 401k plans. Not participating can be a costly decision as you would miss an easy way to save for retirement and save taxes at the same time.

Frank Feng is a financial advisor with and securities and advisory services are offered through LPL Financial (LPL), a registered investment advisor and broker-dealer (member FINRA/SIPC). Insurance products are offered through LPL or its licensed affiliates. Valley Strong Credit Union and Valley Strong Retirement & Wealth Management Group are not registered as a broker/dealer or investment advisor. Registered representatives of LPL offer products and services using Valley Strong Credit Union and Valley Strong Retirement & Wealth Management Group may also be employees of Valley Strong Credit Union. These products and services are being offered through LPL or its affiliates, which are separate entities from, and not affiliates of, Valley Strong Credit Union or Valley Strong Credit Union Retirement & Wealth Management Group. Securities and insurance offered through LPL or its affiliates are: Not Insured by FDIC or Any Other Government Agency. Not Bank Guaranteed. Not Bank Deposits or Obligations. May Lose Value.

2. Another way individuals let indecision get the best of them is by not selecting the investments for the contributions to the 457/401(k) plan, or fail to adjust the allocations accordingly. The investment selections chosen 30 years ago when first signing up probably are not consistent with the time horizon, risk tolerance, goals and concerns today.
3. Over the years, you may buy investments based on articles you have read or the recommendations of a family member or friend. You may also have investments held in a previous employer's 401(k)/457 plan. Over time, you can end up with a collection of investments that may have no connection to your investment objectives and current status. Because of the dynamics of the market, an investment that may have once made good sense at one time may no longer be advantageous today.

By not periodically reviewing what you own, it could lead you to keep inappropriate investments and not able to determine if the portfolio reflects your current situation. This inaction is a default decision that could have a negative impact.

If you would like more information on this topic or any other financial issues, please call me at (209) 518-2801 or email me at frank.feng@valleystrong.com. ❖
